Regional Solutions on a Global Scale

Providing owner-operated services on a global scale

Shared Knowledge

TSC Members

Technical Services Consortium (TSC) offers comprehensive worldwide repair and logistics solutions- specializing in printers, storage products, servers, enterprise devices, laptops, desktops, components, and systems. Global experts - local convenience.

- Global customized services
- Environmentally compliant
- Industry-leading quality standards
- In-depth data reporting and analysis

TSC utilizes a network of leading repair and recovery centers around the globe to ensure best-in-class service and competitive pricing.

All TSC member companies are founded on quality, integrity, and commitment; providing our customers with peace-of-mind from single service to complete outsourced logistics operations.

TSC provides the best of local and global service solutions to ensure quality products are delivered on time at competitive prices.
